F-MERGENCY GRADE RESUSCITATION KIT

You have been diagnosed with an F, which could ultimately be terminal. In order to be cured, you must fill and follow the enclosed prescription. You must follow the directives to the letter, or you may not be cured.

If you do follow the prescribed treatment plan exactly as it is prescribed, then you will certainly earn a D on your Quarter I report card. If you do not, then you will certainly earn an F.

An F on your Quarter I report card means that you will almost certainly earn an F on your Semester I report card due to the simple Law of Inertia. The Law of Inertia, as described by Newton, states:

"An object that is not subject to any outside forces moves at a constant velocity, covering equal distances in equal times along a straight-line path." In simpler terms, as are outlined by Wikipedia: "A body in motion tends to remain in motion; a body at rest tends to remain at rest."

So, stepping up to the figurative plate and healing yourself now means that you could earn as high as a C on the Semester I report card. This is due to the Law of Inertia and basic math.

DOCTOR'S PRESCRIPTION:

Write ALL three of the following essays and submit them ALL to turnitin.com AND myaccess.com by Friday, November 7, 2008 no later than 8 AM. All essays MUST be 600-1,500 words, and they MUST be on time.

- 1) Memorable Childhood Event (non-fictional narrative, currently in your myaccess folder)
- 2) It Should Be Law! (persuasive essay, currently in your myaccess folder)
- 3) Literary Analysis – Theme – Generic B (literary analysis essay, currently in your myaccess folder)

Remember, if you do not follow the prescription exactly, you will NOT be cured; you will NOT earn a D.

WARNING: DO NOT TRY TO EXCUSE-MAKE YOUR WAY OUT OF THIS. The doctor will show absolutely NO MERCY. You may NOT be a minute late or a word under the limit because the disease you have – the F disease – is a killer. It does not respond to puppy-dog eyes or tears. It does not have empathy or a conscience. Do not get caught in its grasp!
