

Name _____ Date _____ English Teacher _____ Period _____

Aspire Pacific Grade 9 Exhibition Research and Outlining Tech Quest

So that you may be prepared to complete your exhibition assignment successfully, take the following steps:

1. Go to webstaclearcourse.com; click on "Exhibitions 2011"; click on the revised assignment sheet. Notice the due dates near the end of the document. What is the new due date for the outline and to whom do you turn it in?

Due date: _____ Turn it in to whom? _____

2. Back on the "Exhibitions, 2011" page, click on the essay rubric. What type of essay will you be writing?

3. Return to the "Exhibitions, 2011" page and click on "Research Resources." How many secondary sources are there? _____

4. From looking at the titles of the resources, which three resources appear to be related to your question?
_____, _____, _____

5. Click briefly on *all* the resources. Which are books? _____

6. Of all the resources, list two that are websites run by government agencies:
_____ and _____

List one site that is run by a non-profit organization: _____

7. Back on the "Exhibitions, 2011" page, click on and read the FAQ's. How many pages must your essay be, and how many minutes must your PowerPoint presentation span? _____ pages and _____ minutes.

8. Back on the "Exhibitions, 2011" page, notice three outlining resources. List them here:
_____, _____, _____

9. Click on and read all three outlining sites. Which site do you prefer and why?

10. Click on the "Online Writing Lab at Purdue" site and read the section about *subordination*. What is the most significant sentence of that section? Write that sentence here:

11. Close the browser and open a Word document.

Create an outline using the following phrases (they are currently out of order), keeping in mind what you learned about subordination:

Beef is hard to mess up

Chicken is inexpensive and low in cholesterol

Fish is high in Omega 3

Foot-long sandwiches became popular among Italians on the East Coast of the United States during WWI

Lettuce grows quickly and may even be cultivated indoors

Onions are natural antibiotics, and they lower both blood pressure and cholesterol

Peppers are good for the soul

Pickles add crunch, and texture is important

Pork is flavorful and a good source of B vitamins and iron

Semi-foot-long sandwiches are half the size of foot-longs and were first eaten by women on a diet

There are five condiments served at Koowani Camp

There are four types of meat served at Koowani Camp

There are three types of sandwiches served at Koowani Camp

Tomatoes, which are really a fruit, are quite versatile

Yard-long sandwiches are the scourge of the Earth because they contribute to the obesity problem

FOR CLASS CREDIT, EMAIL YOUR OUTLINE TO MOCKOUTLINE@WEBSTACLECOURSE.COM. MAKE SURE YOUR NAME IN THE SUBJECT FIELD

12. Technology is the future. You must be adept at using it. You may no longer say "I can't." Rather than say, "I can't," make an "I can plan." Where will you access the Web to complete (or print out) your exhibition research and outline? List at least three possibilities, only one of which may involve school: _____, _____, _____
